

Note about SLC-AS-005 Art Deco/Streamline Moderne Photo Survey, St. Louis City
[Independent City], 2015, Author: Karen Bode Baxter

This survey was submitted to the Missouri State Historic Preservation Office in 2015 by the author as part of a National Register nomination project. It is intended to compliment the 1987 Art Deco and International Properties Survey by Esley Hamilton that mostly focused on St. Louis County but also included some properties in St. Louis City.

The 2015 Art Deco/Streamline survey consists of photos, a list of properties and a map of Art Deco and Streamline Moderne properties within the City of St. Louis [Independent City]. There are no survey forms, nor is there a report.
