ADDITIONAL INFORMATION:

Description of Environment and Outbuildings:

Further Description of important architectural features:

Beun in 1903, the church was built over a number of years. Father Dalton believed firmly in pay-as-you-go. In 1917-18, the structure was largely in place, but it was not completed until 1924.

History and Significance:

Father William J. Dalton was a dynamic priest who earlier had founded the first Annunciation parish in the Bottoms in 1870. This church with almost its whole parish was taken over by railroad development in the bottoms before it moved the Linwood location.
