

JUST FOR FUN...

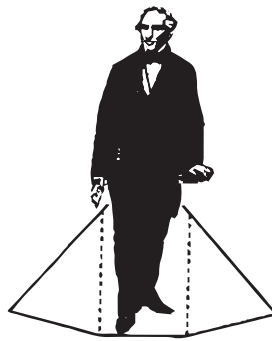

DIRECTIONS

Let's go on an adventurous journey across Missouri. See how many days it takes you to complete your trip as an early traveler to Jefferson City.

To play this game you will need:

- 1 die
- scissors
- pen or pencil
- paper

Cut out these Missouri men, fold on the dotted line, and choose your game piece.

Each roll of the die counts as one day. If you lose a turn it counts as two days. The first one to Jefferson City with an exact roll of the die wins!

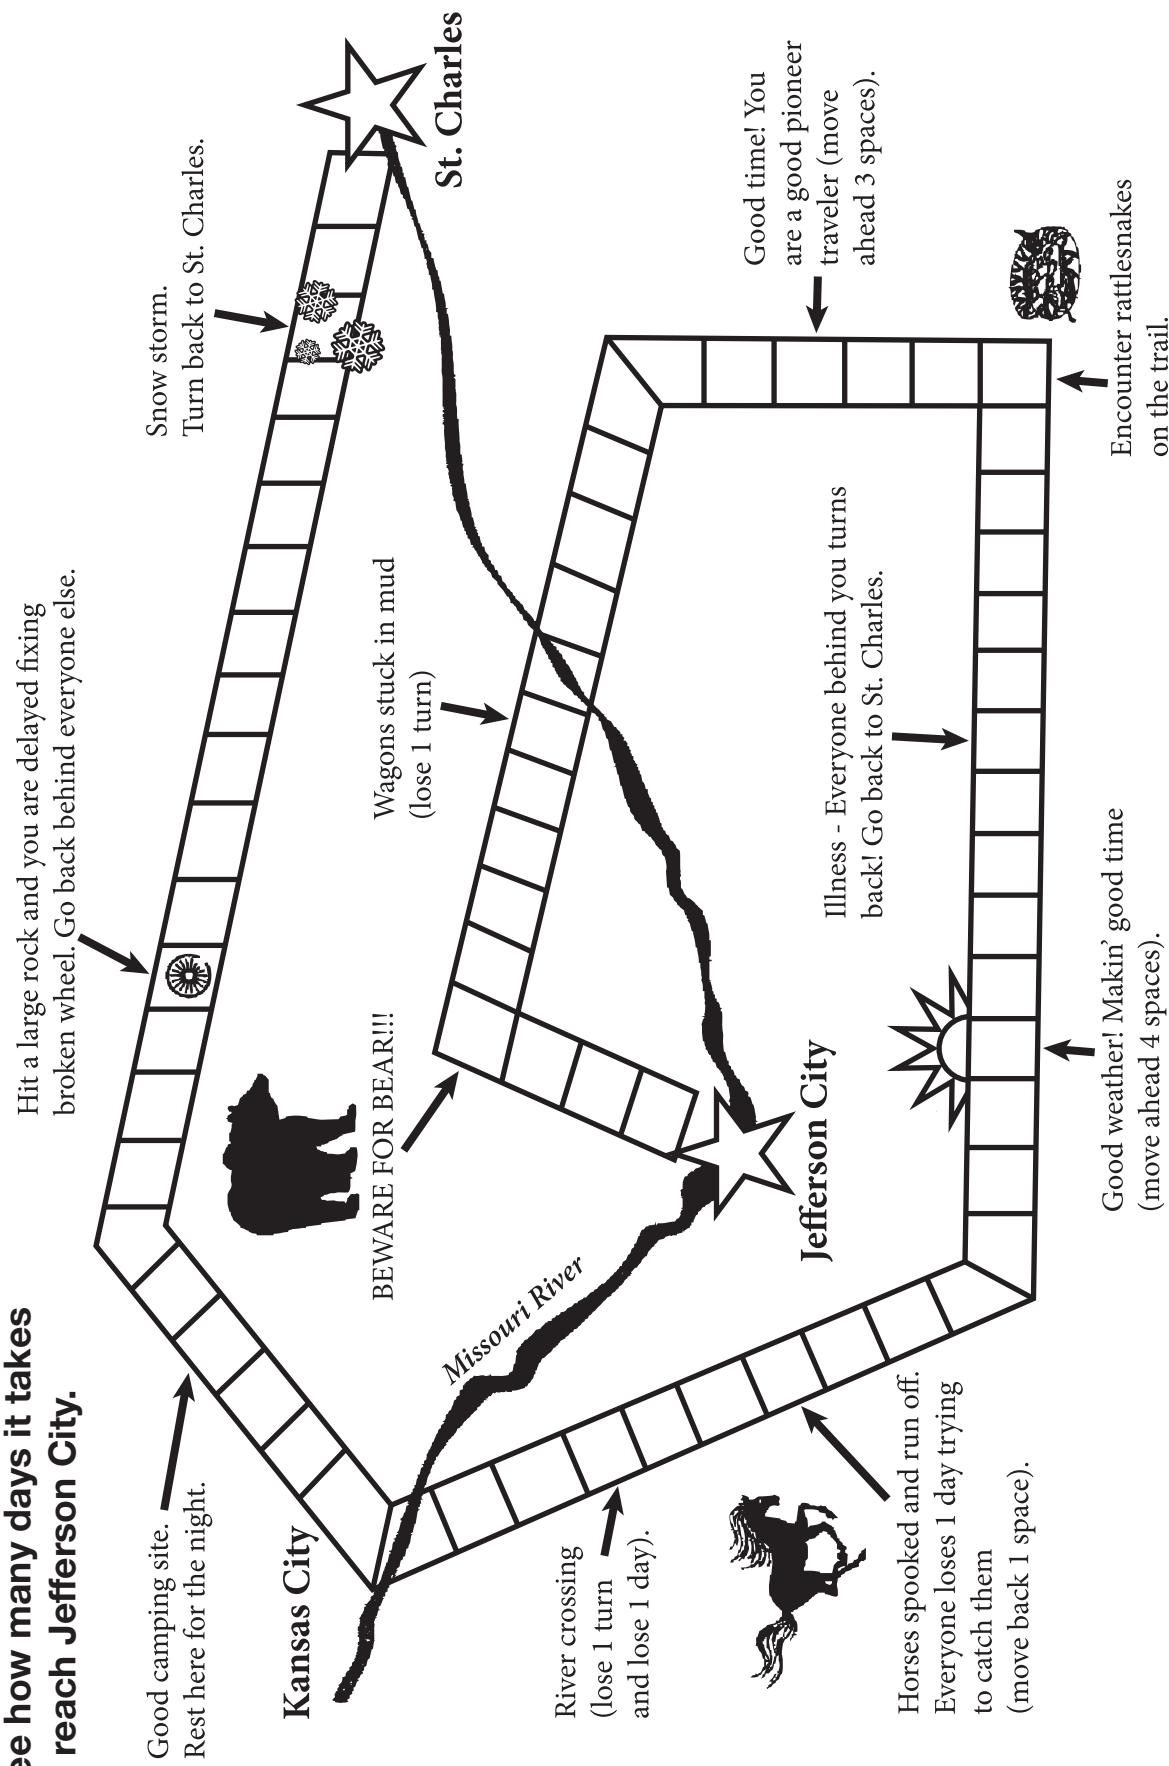

You will need to keep track of your days like this:
